

Please...

HELP US FILL THE WALL!

The Atascadero Greyhound Athletic Foundation has successfully spearheaded a community effort that funded a \$2 million stadium renovation project, and we need your help to expand on our accomplishments.

We want to add your name to the "Walls of Champions" at Atascadero High School. The Walls are located near the Top Dog snack bar at Memorial Stadium, at the entrance to Ewing Gymnasium, on the facade of Kidwell Park (baseball/softball fields) and at the swimming pool.

We are inviting alumni, friends and local businesses to purchase 4-by-8-inch bronze plaques at any or all four locations. The plaques would be custom-inscribed to your specifications and serve as a permanent tribute to your contributions in helping us fund the high school's interscholastic athletic programs and facilities. If you have any questions, please call me at 805/712-6356 or email me at clickard@gohounds.org.

Sincerely,

Donn Clickard

**Donn Clickard,
Executive Director**

Cost of 8-by-4-inch plaques is \$1,000, payable by check or credit card.
A minimum down payment of \$250 guarantees your plaque placement in the wall of your choice.
If you want to support the Hounds, but do not want a plaque, you may make a donation in any amount.
